Should we suggest to Susan that we do an elected officials call later today, perhaps around 3pm central if someone from SFD might be available then?

I can get the invites out, share call-in number, etc.

Thanks --

I've also been in touch w/ Sen. Kirk (very interested) and Sen. Donnelly's offices. And have left messages for Rep. Visclosky and Sen. Coats.

I'll keep their offices posted as we learn more and will let you know if any others express interest.

I'll touch base with SFD to make sure we're keeping the local officials apprised, too.
